Arcler Education Inc, Canada, 2018. Hardback. Condition: New. Language: English. Brand new Book. Organic agriculture has gained immense popularity in recent years due to the belief that it is safer and better for the environment and human health because it is inherently free of synthetic chemicals that are often harmful. Demand for organic food touched USD 81.6 billion in 2015 according to Organic Monitor, with the USA being the largest consumer of organic food. Organic agriculture and consequently, organically cultivated animal and plant products are an important and increasingly profitable segment among food products that are sold at a premium, higher than prices for conventionally produced food. The well-heeled, highly-educated class of consumers that views itself as socially responsible and politically engaged is the largest consumer of organic food. The purchase and consumption of food labelled as 'Organic' is slowly but steadily becoming one of the means of "inconspicuous consumption" patterns that are helping the wealthy and the "nouveau riche" to distinguish itself from the rest of the society. The term 'organic agriculture' is sometimes synonymously used with 'sustainable agriculture'. Many universities across Europe and North America, have started graduate-level degree programs to teach organic/sustainable agricultural development. The author herself holds a Master's degree in Sustainable Agriculture Development - Food security for development. Organic farming and its potential for contributing in a sustainable manner (read without causing pollution) to food production has greatly won the interest of young college students across the world and this is seen as problematic by critics of organic farming. The increasing agricultural cultivation area under organic farming is subject to criticism. Critics and sceptics have rightly pointed out that farms managed organically have lower yields than those of conventional farms, are input and labour intensive and do not always help the farmer to earn profits. Organic food...
